Dear Zellco Members:

By consistently analyzing the efficiency of our operation, we have come to the decision some modifications are necessary.

On August 4, 2014, all transaction services available within the lobby area of our Avenue V office will be discontinued. At the Ave V office, all member transactions will be conducted only at the drive-up window and automated teller areas.

Please assist us in making this change a success. If you feel you need personal assistance, then we highly encourage you to visit any of our other branch offices where all services are available.

Cliff McDaniel
Chief Executive Officer
